Four months ago we moved into the Pacific Northwest to an extremely warm reception from our customers who have told us they are happy to have us so close by. *Now we're opening our doors to return the favor. We hope you'll join us for our FEI Seattle Open House!*

Not sure you can come by? You'd be crazy to pass up the opportunity!

Free clean and calibration certificate.

We know you have your own equipment that needs to be serviced, so we're offering a free clean and calibration. Pick up your certificate or bring your equipment with you to the Open House. Limit one per visitor.

Tour FEI Seattle.

Meet your FEI Seattle team and see why FEI's ordering, service, technical support and shipping processes add up to better customer service.

See the industry's most popular equipment and instruments.

FEI Seattle stocks a variety of equipment and instruments from leading manufacturers. We'll be happy to demo the equipment you're most interested in learning about.

Register to win.

Visitors will participate in drawings to win American Express Gift Cards. We will also have gifts for everyone who stops by!

We look forward to seeing you! If you can't attend the Open House, please contact FEI Seattle at the number provided any time you need equipment and supplies.
