

Full Body Harnesses

ConstructionPlus™ Harnesses

The ConstructionPlus™ Series (CP+) was developed with both quality and economy in mind. The “one-size-fits-most” CP+ harness provides fall protection, durability, and comfort at an economical price. All CP+ harnesses have a sliding D-ring at the center of the back for Fall Arrest (FA) and Fall Prevention (FP). Three D-ring models have D-rings on the hips for Positioning (PO). Either parachute-mating buckles or tongue buckles are available on leg straps.

Optional Chest Strap
Restrictor with Lanyard Clips

Group A

ConstructionPlus™ Harness

One D-ring ConstructionPlus™ Harness
Sliding D-ring at center of back, Parachute-mating
buckles on leg straps, Made of polyester and Nylon.
Available Sizes: One Size
