

# Fulton 3200 LB capacity two-speed winch

Fulton's 3200 LB capacity two-speed winch with 1 3/4" drum hub for use with steel cable only. Convenient shift lock design allows gear shifting with out moving the handle from shaft to shaft. Just lift the lock and slide shaft to change speed. Includes 12.2:1 low gear ratio for heavy load pulling and 5.1:1 for faster retrieval. Free-wheeling neutral allows line payout without a spinning handle for ease of operation. Zinc plating provides superior corrosion resistance. Includes Fulton 10" comfort grip handle for easy cranking and cable keeper to secure cable. Optional hand brake kit 1619-01 sold separately. Cable sold separately. End user supplies winch mounting hardware. Refer to owners manual for recommended hardware grade.
