Pullman-Holt 10 gallon DRY Hepa Vacuum

Equipped with a powerful 1.5 horsepower motor and an extra large capacity HEPA filter system, this model offers the air flow efficiency of vacuums costing three times as much. The model 45 is manufactured to the same high standards as large industrial HEPA vacuums, so it will withstand years of hard use.

Features:

- High efficiency drop in style HEPA filter individually certified to have a minimum

efficiency of 99.97 at .3 microns (based on 1EST-RP-CC0007 particle count method.)

- Includes Pullman-Holt's exclusive "never clog" Dacron bag for superior pre filtration.
- Blow molded poly canister with low center of gravity design prevents tipping.
- Positive locking, full swivel hose connection system for easy handling and operation.
- Low noise allows for use in sound sensitive areas.
- Includes complete set of tools.
- 25 foot power cord.

Included Tool Kit:

10' x 1.5" crush proof hose

5' two piece metal wand

Crevice Tool

Floor Carpet Tool

Round Dusting Brush

Item # 700321
