

**Self-extinguishing  
is the secret!**

All you have to do is drop in a lit cigarette and let Smokers Cease-Fire's unique design take care of the rest. Its oxygen limiting design suffocates the lit cigarette to quickly put it out. Liner pail safely collects butts and permits easy disposal.

An innovative internal drip-lip keeps messy tar condensation from escaping to help maintain a clean and neat appearance.

**Choice of three styles  
and seven colors!**

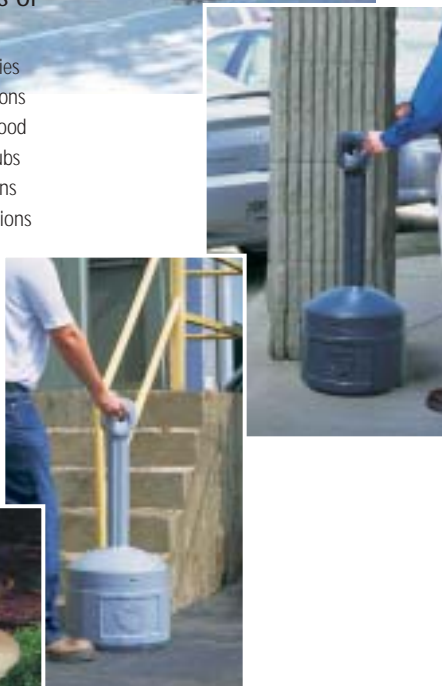

**Cigarette Butt  
Receptacles**  
Fire tested and approved  
for safety.

**Put an end to  
cigarette litter!**

**Ideal for all types of  
establishments!**

- colleges and universities
- malls and retail locations
- restaurants and fast food
- hotels and country clubs
- gas and service stations
- airports and train stations
- manufacturing plants
- office buildings
- recreation parks
- hospitals
- sports centers
- parking lots

**Cigarette Butt Receptacles**  
The safe and convenient answer to  
cigarette butt disposal.

**Say "good-bye" to...**

- Dangerous fire risks
- Cigarette butt mess
- Difficult maintenance

**Smokers Cease-Fire® Cigarette Butt  
Receptacles are perfect for:**

- smoking and break areas
- entrances and recreation areas
- or anywhere people smoke!

# Keep your property clean and reduce fire risks with Smokers Cease-Fire®.

Safely contains cigarette butts in an attractive housing specially designed to reduce the risk of fire. Durable, flame retardant polyethylene won't rust or crack.

## Unmatched features! Fire tested and approved for safety.

- Large head dissipates heat (acts as heat sink)
- Covered opening keeps rain out and discourages trash from being dropped in
- Snuff spot
- 1 1/2" opening permits easy use and promotes good housekeeping
- Large internal neck cavity minimizes "clogging"
- Molded in graphics easily identifies opening for cigarette butt disposal
- Low maintenance, high density polyethylene construction with flame retardant additive won't rust, dent, crack or peel and resists fading
- Cease-Fire® technology minimizes the "chimney effect" found in other units.
- Innovative Cease-Fire® design limits the flow of oxygen to safely and quickly extinguish cigarettes to reduce the risk of fire
- ADA Compliant**
- Fire tested and approved by Factory Mutual**
- Easy-open and easy-close lid securely interlocks to prevent spills
- Internal "drip-lip" feature stops messy tar condensation from escaping.
- Broad 16 1/2" base for stability
- Large 16 qt. galvanized steel liner pail removes for easy cleaning
- Molded-in tie-down notches on both sides provide security from theft or severe weather

Compact size of the "Personal" Smokers Cease-Fire® fits snugly alongside chairs on decks, patios, and poolside. Smaller scale is perfect for tight spaces or light smoking traffic areas.

## Personal size and Table Top option for greater convenience

The new Table Top Accessory quickly attaches to the Original, taller Smokers Cease-Fire® for convenient placement of cigarettes, beverages, etc. It's ideal for any sitting area with benches or other recreational sites such as pools or outdoor party events.

Large galvanized steel liner pail with bail handle makes maintenance a snap! Simply lift off the top section and remove the bucket for emptying.
