

ULTRA TWIN RESPIRATOR FAMILY

RESPIRATOR COMPONENTS		
ACCESSORIES		

1. PROTECTION

N95- Particulate Filter (95% filter efficiency level)
effective against particulate aerosols free of oil; time use
restrictions may apply

N99- Particulate Filter (99% filter efficiency level)
effective against particulate aerosols free of oil; time use
restrictions may apply

AM: Ammonia
CD: Chlorine dioxide
CL: Chlorine
FM: Formaldehyde
HC: Hydrogen chloride
HF: Hydrogen fluoride
HS: Hydrogen sulfide (gas)
MA: Methylamine
MV: Mercury vapor
OV: Organic vapor
SD: Sulfur dioxide

A- Not for use in atmospheres containing less than 19.5 percent oxygen.
B- Not for use in atmospheres immediately dangerous to life or health.

- A. Not for use in atmospheres containing less than 19.5 percent oxygen.
- B. Not for use in atmospheres immediately dangerous to life or health.
- C. Do not exceed maximum air concentrations established by regulatory standards.
- D. Do not use in atmospheres containing any of the following:
 - 1. Carbon monoxide or other gases known to be asphyxiants.
 - 2. Contaminated air that has been subjected to a positive pressure flame arrestor.
 - 3. Contaminated air that has been subjected to a positive pressure flame arrestor by MSHA / NIOSH.
- E. Do not use in atmospheres containing any of the following:
 - 1. Carbon monoxide or other gases known to be asphyxiants.
 - 2. Contaminated air that has been subjected to a positive pressure flame arrestor.
 - 3. Contaminated air that has been subjected to a positive pressure flame arrestor by MSHA / NIOSH.
- F. Follow to properly use and maintain this product used in injury or death.
- G. Follow the manufacturer's User Instructions for changing cartridges and/or filters.
- H. Approved respirators shall be selected, used, tested, and maintained in accordance with MSHA, OSHA, and other applicable regulations.
- I. Approved respirators shall be selected, used, tested, and maintained in accordance with MSHA, OSHA, and other applicable regulations.
- J. Refer to the instructions and/or maintenance manuals for information on use and maintenance of these respirators.
- K. Refer to the instructions and/or maintenance manuals for information on use and maintenance of these respirators.
- L. Refer to the instructions and/or maintenance manuals for information on use and maintenance of these respirators.
- M. Refer to the instructions and/or maintenance manuals for information on use and maintenance of these respirators.
- N. Refer to the instructions and/or maintenance manuals for information on use and maintenance of these respirators.
- O. Refer to the instructions and/or maintenance manuals for information on use and maintenance of these respirators.
- P. NIOSH does not evaluate respirators for use as surgical masks.
- Q. Select or official user's instructions and/or specific use limitations apply. Refer to User's Instructions before donning.
