

Protection with Style and Comfort The Uvex
Stealth™ Goggle

Never before have goggles offered such comfort and protection as well as sleek, futuristic styling. The **Uvex Stealth** goggle concentrates new design, technologies and materials to create new levels of worker comfort and acceptance. They make it easy, and even fashionable, to wear goggles on the job. Now that's revolutionary.

Nothing Protects Like **Uvex™**

uvex®

The Uvex **Stealth™** Goggle

Indirect ventilation system
channels air flow over lens. This minimizes fogging and improves vision while still providing superior splash and impact protection.

Specially designed Rx carrier
provides unique protection to workers requiring prescription eyewear.

Quick-adjust headband clips
permit fast and easy fitting, even on hardhats. Once adjusted correctly the textured headband won't slip.

Soft flexible elastomer seal
stays amazingly soft, pliable and comfortable for the life of the frame. The result is a superior fit around the nose, cheeks and forehead.

- Futuristic, low profile design for chemical splash and impact
- Toric lens provides superior optics and peripheral vision
- Impact-resistant polypropylene frame provides greater than 99.9% protection from harmful UV rays
- Snap-on lenses simply snap onto the front of the Uvex Stealth™. It's the easiest, most cost-effective replacement on the market
- Rx insert available
- Uvextreme® AF coating and indirect ventilation system minimizes fogging
- Quick adjust headband
- Meets ANSI Z87+ and CSA Z94.3 standards
- Made in USA
