

Position: Equipment/Instrument Technician, Driver

Location: FEI Philadelphia branch (Exton, PA)

Field Environmental Instruments, Inc., established in 1995, has 11 full-service branches and 80 employees throughout the United States. FEI is a leading growth-oriented environmental equipment rental and sales company headquartered in Pittsburgh, Pennsylvania. Ideal candidates will share our intense customer-centric focus in our culture of friendly, knowledgeable, supportive, self-motivated professionals.

We are looking for versatile candidates who are capable of fulfilling objectives related to: customer service, technical assistance and local delivery. Don't miss this opportunity to join a company offering tremendous growth and upward mobility potential. Candidates will be offered a comprehensive compensation package which includes a base salary, health care benefits, and a 401K retirement plan.

Essential duties and responsibilities include, but not limited to performing:

- Order Fulfillment –
 - Assistance in all areas of preparations
 - Receiving, cleaning and calibrating
 - Shipping or delivery
- Database order entry and completion
- To fulfill daily office obligations, some routine tasks will coincide

Basic requirements and general competences:

- Basic PC skills and a general knowledge of Microsoft Office Programs
- Excellent communications skills, and great prioritization and organizational skills
- Ability to function and thrive independently and as a component of a larger entity
- Valid driver's license
- Knowledge or experience in the geological/environmental consulting, engineering or health and safety industry a plus.
- Trouble-shooting and problem-solving skills, adaptive, reliable, dedicated, multi-task oriented with the aptitude to grasp processes, functions and methods in a changing industry

The selected employee will work under the guidance of the Branch Manager and with assistance of nationwide staff. Base salary, health benefits, and profit-sharing and bonus opportunities available.
