**S-829 Steel-Stapled** 24" x 24". Same as above with full steel stapled reinforcement throughout for further abrasion resistance.

# Specialty Aprons

## Kick-Back Apron

**PROTECTS LOWER ABDOMEN, STOMACH, GROIN AND CHEST FROM KICK-BACK AND SIMILAR HAZARDS.**

(See photographs for individual apron coverage.) Constructed of heavy wool and Kevlar® sewn between 2 layers of chrome leather. Fastens with an adjustable web belt. Aprons are not puncture proof, and should not be tested on wearer.

**KBA-bib type** 16" x 28"      **KBA-tapered** 16" x 13"

**KBA-standard** 24" x 18"      **KBA-tapered** 21" x 17"

## Garment Styles

**KBA-bib type**

**KBA-standard**

**KBA-tapered**  
16" x 13"

**KBA-tapered**  
21" x 17"

### KBA-High Waist

19" long x 28" wide duck. 8" x 14" fiber "arch" withstands heavy blows. Heavy felt quilted between two layers of duck, above and below fiber. Adjustable web fasteners at bib and waist. Excellent protection against lumber kick-back from rip saws.

### Carpenter's Apron

Bib type 19" x 26" or waist type 18" x 9" standard with 2 pockets. 10oz. fire resistant duck (FRD) or non-fire resistant denim (BD). Custom pocket design available.
